

## **PROGRAM INFORMATION AND APPLICATION**

The Cutting Edge Approach to Pilates Teacher Training

PSC teaches a contemporary approach to the original exercise method developed by Joseph Pilates in the 1920s; one that preserves the essence of the original technique but incorporates today's knowledge and principals

### **WHAT MAKES THE PSC PROGRAM UNIQUE?**

**Well Priced / Limited Class Size**

**Co-Created by a Doctor and Emphasizes the Anatomically Based Concept of "Neutral Spine"**

**Course Manuals are Illustrated and Extensive**

**Rehabilitation Protocols and Modern Principals**

**Both East Coast/Classical & West Coast/Progressive Philosophies**

**Student-to-Equipment Ratio is Ideal**

**PSC Founders Have Completed Numerous Exercise Science Courses and Collaborated with PT's & Sports Medicine Professionals to Create This Program**

**Challenging Variations as well as Modifications to Assist with Injuries and Limitations**

**The Program Directors Are PMA Certified Teachers™**

## **COURSE DESCRIPTION**

This comprehensive 450-hour program is offered in a modular or comprehensive 15-week format. The class size is limited to ensure a high level of attention and service. A fully photographic Manual will be provided to you for the course or module(s) you will attend.

Each student will learn:

- Fundamental Pilates principals and philosophies
- Client assessment and alignment protocol
- Anatomy and biomechanics taught using audio and visual aids in an interactive environment
- Pilates Mat Repertoire
- Universal Reformer Repertoire
- Cadillac/Trapeze Table Repertoire
- Wunda/Combo Chair Repertoire
- Small apparatus skills utilizing the jump board, magic circle, rotating discs, balance/wobble board, foam rollers, thera bands and balls
- Combining east coast/traditional and west coast/progressive styles with modifications and variations
- Creative training and program development skills for any level of proficiency
- Medical anatomical terminology
- Verbal and tactile cueing skills
- Attitude, confidence and composure of a professional instructor
- Studio etiquette and equipment safety
- Ethics and scope of practice
- Understanding indications and contraindications for specific injuries/dysfunctions and special circumstances

## **ABOUT THE FOUNDERS/DIRECTORS**

### **Kelli Altounian**

Kelli is the co-founder of Pilates Sports Center and co-director of the PSC Pilates Training Program in Los Angeles, California. Kelli holds a BA (dance emphasis) from the University of Central Oklahoma and performed professionally for over 15 years. Kelli became a Pilates advocate in 1994 while performing as a Radio City Rockette. After sustaining a career ending back injury, Pilates was her choice for physical therapy. In 2000, Kelli and Andromeda Trumbull united their efforts with the aim of updating the approach of Pilates based movement utilizing therapeutic influence. They have since created a Pilates Training Program of International Recognition. The PSC program incorporates manipulation of the equipment to maximize the benefits for the client. PSC's approach to education and post education continues to grow worldwide.

Her credentials include:

- B.A. in Theatre with dance Emphasis from University Of Central Oklahoma
- Yamuna® Body Rolling Certification Program
- Certified Trainer recognized by the National Endurance and Sports Training Association (N.E.S.T.A.) for Golf Conditioning
- Pilates Method Alliance Certified Pilates Teacher™

### **Dr. Andromeda Trumbull, D.C.**

Andromeda Trumbull became a Doctor of Chiropractic Medicine inspired by her own spinal condition. Her practice specializes in the proper rehabilitation of the lower back. She was introduced to Pilates as a fitness regimen and was so impressed that she mastered its philosophy and became an Certified Instructor to offer Pilates to her patients as a way of treating pain and resolving it more effectively. The profound results of her patients led her to co-found Pilates Sports Center in Los Angeles, California along with Kelli Altounian. Andromeda also co-directs the PSC Pilates Training Program, which aims to provide the highest standard of excellence in Pilates education.

Her credentials include:

- Graduate - Cleveland Chiropractic College of Los Angeles 1996
- Post graduate certification: Cox Flexion/Distracton Technique for treatment of discs
- Integrated Flexibility Training - The Sports Club/LA
- BalletCore® Certified
- Massage Therapist - Touch Therapy Institute
